Part III REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach, disclose, or suggest the claimed limitations of (in combination with all other limitations in the claim), receiving a print designation to print a document that comprises a set of canvases, wherein receiving the print designation comprises a web server providing a web content operating within a web browser; constructing a canvas order from the set of canvases; getting graphics data in the canvas order; and sending the graphics data in canvas order for printer processing, as claimed in claim 1. Similar features are claimed in claims 6 and 13. Therefore, claims 6 and 13 are allowable over the prior art of record for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
